

def SOL's Participant Information for **Recreational Classes**

All Participants - PLEASE REVIEW

1. **Parking** is a bit of a challenge at our studio, located at 615 - 2nd Avenue North in downtown Saskatoon. There is the SGI customer parking and we can use their employee lot off of 1st Ave. or street parking. The WBM lot is NOT available to us. You can also park in the larger SGI lot off 1st Avenue, then walk across the alley to our building (paved all the way!) Listowel Trophies off 1st Avenue has also offered us their parking lot after 5 PM - See the map attached.
2. The **Student Entrance** is the far side door on the south side of the building. There may be some construction going on as we are improving on our studio. Sorry for the inconvenience and any "messy"ness, however we ensure you a safe entrance.
3. Students and parents agree to participate in our events with the full understanding that def SOL and affiliates will not be held liable for injury, theft or weird acts of God and that sort. (First aid is available by a certified attending party.)
4. In the event of cancellation, def SOL Productions will refund your tuition in full if written noticed is received more than 7 days prior to the start of your class. If you cancel after the start of class(es) def SOL will charge you \$15 for every class scheduled prior to notice and refund you the remainder.
5. def SOL reserves the right to make changes and improvements regarding all classes, seminars, workshops, camps and summer school activities. Registered Students / Parents will be notified. Reason being, we are always trying to improve our service to you! Thank you for supporting us!
6. **ALL STUDENTS** should bring a **full water bottle, and clean, non-scuffing sneakers**. Students will be asked to remove their street shoes upon entering the facility, please do not wear your dance shoes outdoors! The building caretaker will chase you down with a broom!

Booty-licious students can wear the "sexy" workout gear, just remember there will be mirrors in front of you and people behind you.

Hit da Floor students should wear loose-fitting clothes (dress the part). A toque and knee pads are helpful but not necessary for breakdance classes. Do not wear sandals, dance slippers / jazz shoes, tight jeans, low rise jeans, shorts or skirts or bling. You have to be able to "get down" and not be self conscious!

Minor Students / Parents

7. **Parents / Guardians** are responsible for the transportation of their charges to and from event; younger students should be 'delivered' to the classroom with the instructor's acknowledgment of attendance.
8. **Drop off and pick up** is no earlier than 10 minutes prior to class and no later than 10 minutes after last scheduled class, as supervision will be limited.
9. Students are expected to behave in a respectful, courteous manner toward their instructors, other students and the facility. We have a ZERO Tolerance Policy on disrespectful behaviour.
